

PROFESSIONAL EXPERIENCE

FORMPRO – DOCUMENT MANAGEMENT TECH STARTUP, LONDON, ON, OCTOBER 2021 TO PRESENT

FOUNDER / I.T PROJECT COORDINATOR

- Launched FormPro, a tech start-up directly addressing and mitigating document management inefficiencies faced by small businesses, slashing document management costs by \$50,000 annually for small Ontario-based enterprises.
- Drove a significant operational efficiency boost, saving small business employees approximately 15 hours each week by streamlining document traffic processes such as optimizing file categorization algorithms, implementing automated approval workflows, and integrating a user-friendly dashboard for real-time tracking.

IVEY BUSINESS SCHOOL, LONDON, ON, SEPTEMBER 2022 TO DECEMBER 2023

DIGITAL PROJECT CONSULTANT

- Orchestrated a series of high-impact projects across multiple sectors, including healthcare and financial services. Led initiatives such as the integration of IoT devices and AI technologies at SickKids Hospital, which resulted in a 20% improvement in critical patient care response times and a 25% boost in communication efficiency through AI-powered chatbots.
- Spearheaded innovative solutions at Huron Perth Healthcare Alliance and St. John Ambulance, including the adoption of digital pathology and virtual therapy sessions. These initiatives led to a 25% reduction in patient wait times and a 30% increase in therapeutic engagement, respectively.
- Managed cross-functional teams to implement advanced technologies and optimize processes, such as integrating RFID and machine learning at Sysco Canada to improve inventory management, resulting in an 18% cost reduction and a 22% increase in operational efficiency. Facilitated skill development and virtual community-building at CIBC, enhancing team productivity by 10% and reducing turnover by 12%.

REFOREST LONDON, LONDON, ON, JUNE 2019 TO AUGUST 2022

PROJECT COORDINATOR – REFORESTATION INITIATIVES

- Coordinated several reforestation projects planting over 5,000 trees, significantly contributing to local environmental conservation efforts.
- Managed project budgets totaling \$200,000 and ensured timely completion of all milestones.
- Engaged with 300+ volunteers and experts, enhancing project participation by 30%.
- Managed project timelines, budgets, and volunteer coordination, ensuring that all milestones were met on schedule. Provided regular updates to stakeholders and adjusted strategies based on field data and feedback.
